

Youth Advisory Council Survey Directions

The Youth Advisory Council Survey will be sent via the Infinite Campus portal to all DMPS students in grades 6-12. The survey was developed by the School Board's Youth Advisory Council and survey results will be presented to the Board in June as part of the treatment of students report. The survey will be open from Monday, April 22 through Friday, May 3. On April 22, students will receive a message through Infinite Campus to complete the survey. Please encourage all students to complete the survey.

Instructing Students to Access the Survey

1. Students need an Infinite Campus Portal account to take the survey. If they do not have their IC portal account set up, they may log in using the following:
 - a. The username for Infinite Campus is the their 6-character Student ID.
 - b. The initial password is the students first name initial, last name initial, followed by their birthdate in the following format mmddyy – for example, Jason Smith, whose student ID is 123456 and whose birthday is May 5,1997 would have the following:
 - i. Username: 123456
 - ii. Password: js050597
 - c. Users will be prompted to change their password upon their first login. Students may choose to make their IC password the same as their network password, but the two are not synchronized.
2. Once students log on to the IC portal, a message about the survey and the survey itself will appear in the student's inbox (appearing April 22). Students may access the survey by clicking on the survey link within the message or clicking directly on the survey itself (2nd link in inbox).
