#### Attendance

Using the **Attendance** tab, parents can monitor student attendance using a variety of options. The attendance information displayed occurs in real time as the teacher or building attendance clerk enters the information. The **Calendar** allows parent to quickly view attendance for each month. Today is outlined in blue. Non-instructional days

are grayed out. Attendance events display in color according to the legend. Selecting a day in the calendar displays the details. A set of tabs allows a user to view attendance information by Course, Period, Day and Term.

Color	Code	Definition
Green	Excused	Parents notify the school with a reason for the absence and district policy determines if this is an excused absence,.
Red	Unexcused	Districts have determined that the absence is not excused.
Grey	Exempt	These are usually school-sponsored events, such as field trips, concerts or athletic activities.
Yellow		The reason for the absence has not been verified by school staff. Attendance taken by the teacher displays in yellow until it has been verified by school staff and an excuse type has been assigned.

Clicking on a day will generate an **Attendance Detail** pop up. Attendance Details displays a listing each period along with the course and time. Click the "X" in the top tight corner to return to the original screen.
