MONTE CARLO 2024

Join us in supporting students at Lincoln High School during this years Maroon & Gold Gala! On February 10th, 2024, Build Lincoln Higher will host the 7th annual Maroon & Gold Gala at the Holiday Inn Airport. Please join us for a fun evening of interactive games, auction opportunities, hall of fame inductees, and dinner to celebrate South Side Pride while we raise money for student activity programs. All proceeds from this event benefit the Build Lincoln Higher Gala Fund to enhance the LHS student experience through academic enrichment, athletics, fine arts, and student clubs. Lincoln relies on fundraising to cover necessary operational costs associated with student programs; including uniforms, equipment, and fees for camps, clinics, and competitions. With over 2,400 students and 48 different activity programs at Lincoln High School, every gift makes a difference!

The Gala is an excellent way to showcase your company, products, and services to an engaged audience. With 500 tickets available this year, we expect sponsorships and advertisements to sell quickly. Please consider signing up for a sponsorship soon to get the full advantage of our marketing opportunities. With support from the community and businesses such as yours, we will continue to make an impact in the lives of students and families on the south side of Des Moines.
